

DETROIT TRAINING CENTER

# CDL B CONCRETE MIXER TRUCK PROGRAM

## Learn the skills to become a Concrete Mixer Truck Driver

Help build Detroit! This is an entry-level class that prepares students to work in the trucking industry as a concrete mixer truck driver. Training will cover the information necessary to pass the state's CDL B licensing exam as well as the information necessary to operate a concrete mixer truck.

Attend a Facebook Live orientation on Detroit Training Center's Facebook every Wednesday at 11am.

### **JOB PLACEMENT ASSISTANCE INCLUDED!**

Must be able to pass a drug test and DOT physical.  
Valid driver's license required for participation in program.
